

Marinwood Preschool Parent Packet 2023/2024

Welcome to Marinwood's Preschool Program. Please review the information in this packet to better facilitate the successful participation of your child in our program.

Preschool Philosophy

Our goal at Marinwood Preschool is to provide a safe and stimulating preschool experience and help prepare children for their eventual kindergarten education. We are a play-based preschool that fosters imaginative and creative play through our unique collection of toys and materials. We feel that this collection offers tools for the children from which they learn and create continually. We also find this successful for their social and emotional development. We rotate the toys to give new choices for children each day of attendance. Materials range from imaginative play assortments to pre-kindergarten manipulatives. We also offer enrichment every day through storytelling, music, and art.

We know that this may be the first time that many of you have left your child at school. With that in mind we as teachers will handle this experience carefully so that your child's association with school remains a positive one. We may ask that you stay with your child during the school day if the teachers have noticed they may need a little more support in the classroom. If your child needs the extra support the supervisor and teacher will create a plan to be discussed collaboratively.

Our teachers strive to create a warm and nurturing environment, and our goal is for the children to be comfortable and reach their full creative and social potential. We handle conflicts between children by talking about the problem and coming up with a solution together. We urge them to express their feelings and we remind them of our expectation that they treat one another with care and respect. We support children's need for fairness and being heard.

Morning School Program

Welcome to Morning School! The Morning School class meets each day in our larger classroom where children are able to explore with toys (switched out weekly), participate in engaging activities, and create fun and stimulating art projects, all that correlate with our weekly theme. This class also has access to additional educational materials specific for this age group, giving 4-year-olds age-appropriate challenges. Our day will include free play, art, snack time, circle time, outside time, and finish with lunch. We are pleased to announce that our teachers this year will be Alaina Fuetsch, Francesca Guillen-Velasquez, and Erin McCarrie.

Threes Together Program

Welcome to our Three's Together Class! We are looking forward to having your children in our program. We are pleased to announce our class will be taught this year by Annette Raisedana with help from Alaina Fuetsch, Francesca Guillen-Velasquez, and Erin McCarrie.

We have lots of enjoyable art projects and exciting activities planned to surround our weekly themes. Our daily class time will include free play, a morning snack, an arts and crafts project, time at the park, circle time, and finish with lunch. Threes together is located in our smaller classroom where children have the ability to play with toys, explore in sensory bins and participate in art projects.

One of the few requirements that we ask of children attending our Threes Program is that they be ready to take directions from the teachers. This is a developmental process, and it is important to remember that your child is still very young at the age of three. Sometimes children communicate through their behavior that they are not quite ready to attend school and we may recommend that some time pass before they continue in our program. Although this is our last action, we will work with our families as best as we can to make sure each child is treated fairly.

Threes Together Schedule:

9:30 - Free Play
9:45 - Art Project
10:15 - Snack
10:30 - Outside Time
11:00 - Free Play

What to Bring

Clothing should be comfortable, washable and suitable for daily routine, which includes both messy and active projects. Unless it is raining, the children will spend time outside each day so please dress your children appropriately for seasonal weather.

What does my child need to bring each day?

- A backpack or bag
- Closed-Toed Shoes
- Jacket/Sweatshirt
- Change of clothes (underwear, shirt, pants/shorts, socks)
- Snack and Lunch
- If inclement weather, please pack rainproof gear.

We ask that you pack snack in a separate baggie or Tupperware and label it “snack”.

Please do not place this container in the lunch box.

PLEASE REMEMBER WE ARE A NUT-FREE SCHOOL. We encourage parents to follow our “no-dessert policy” for children’s snacks and lunch.

Please keep all toys and personal items at home. Please label all your child’s belongings.

Sometimes toys and small parts find their way home in pockets. This is not cause for alarm. We do appreciate getting these toys back, so please do not hesitate to return even the smallest of pieces.

Communication

We encourage parents to regularly share daily concerns about your child with teachers and staff. Parent, teacher or supervisor conferences and phone calls can be scheduled at any time a need arises by contacting Alaina at afuetsch@marinwood.org.

Our teachers will always inform parents of any incidents that arise during the day including injuries or behavioral issues.

Constructive criticism of the program is welcome when it is motivated by a desire to improve the quality and efficiency of our program. The first step is addressing the concern immediately with the teacher or staff member. The next step would be with the Supervisor, either in casual conversation, email, text, or a scheduled meeting. The third step is a meeting with the supervisor, staff, and the parent together.

Please remember to update the teaching staff and director of any family issues (death, illness, travel, and separation/divorce) that may cause changes in the behavior of your child. Children can be extremely sensitive to the changing environment. It helps our staff know which child needs the extra patience, attention and love.

Resolving Conflicts

We handle conflicts between children by talking about the problem and coming up with a solution together. We urge them to express their feelings and we remind them of our expectation that they treat one another with care and respect-- the way in which they would like to be treated. We support children's need for fairness and being heard, and we often use interactive role playing and storytelling to help resolve issues. The safety and wellbeing of each child is our highest priority. If a child is being physical toward others, the behavior will be calmly and immediately stopped, and the parent will be notified. If the behavior persists, a conference will be set up to discuss a behavioral plan. Our goal is for every child to have a positive preschool experience.

Disciplinary Policy

Marinwood seeks to promote positive behavior in children and help them learn self-regulation, which is the ultimate goal of discipline. We want to teach and lead our children to make better choices.

All discipline actions will be positive in nature. The method of discipline will vary with the age and action of the child. Individual teachers are given discretion in how to handle each situation as it arises. As a matter of policy, the following is a general framework for discipline.

- Separate the child from the behavior
- Use positive language
- Redirect the child's behavior
- Give acceptable choices
- Follow up with conversation about issue (if appropriate)
- Look for a deeper problem

Distractions are the first step in any age group. Second, teachers will explain to the child why the behavior is inappropriate and suggest an alternative acceptable choice. If the behavior happens again, he/she may be asked to remove themselves from the activity/group temporarily to think about their behavior/actions. Third, other tools may be used to help the child understand appropriate behavior such as storytelling, roleplaying, art, visualization, games or exercise. At no time will any form of corporal punishment be threatened, encouraged, or used.

If the unacceptable behavior continues, parents will be notified at pick up and or may receive an email or phone call about the child's behavior.

A parent/teacher/supervisor conference may be called in order to discuss the issue further at this time parents and teachers can work collaboratively in creating and implementing a plan to

help the child make appropriate decisions. Consistency between school and at home tends to help encourage the change of behavior.

If the child's behavior becomes threatening to the other children, to the staff, or when previous strategies have failed to produce the desired results, Marinwood Preschool may need to remove the child from program.

Potty Training

All participants must be potty trained. However, we understand that accidents happen. Please send your child with an extra pair of clothes in their backpacks. Although accidents may still happen, if your child has repetitive accidents that happen multiple days in a row a conversation and solution will be held with the supervisor.

Birthdays

If you would like us to celebrate your child's birthday at school, you can bring a small treat enough for each child in the class (see teachers if you need ideas) We will sing happy birthday and pass out the treat after lunch time. **Please discuss with teacher any other planned ideas prior for approval.** You may also bring a special book that your child likes, and a teacher may read it to the class after lunch.

Attendance, Illness Policy, Administration of Medicine

All participants must be accompanied by a parent or guardian at check-in each day. The Program does not run on the days that schools are closed.

If your child will not be attending the Program on certain days due to vacation or illness, you must contact the Marinwood office.

It is a parent's responsibility to monitor the health of their child before attending our Program. It is vital that all parents and guardians keep children at home if they are sick and/or until they have been fever/symptom-free for a **full calendar day** without the use of medicine. Parents must be able to answer **NO** to the following questions before bringing their child to our Program.

- Does your child have a fever, cough and/or shortness of breath? For children, a fever is 100 degrees or above using a forehead thermometer.
- Does your child have any other signs of communicable illness such as a cold or flu?

Parents/guardians are responsible for notifying Marinwood about illnesses, possible exposures and any positive COVID-19 test results as soon as possible during the course of our program. While Marinwood will take all possible precautions to protect the health and safety of children and staff, we expect everyone to follow the current health and safety guidelines.

Signs of Illness During Program:

Participants will be monitored for signs of illness throughout the day including:

- Headache or tiredness, unable to participate in routine activities or need more care than staff can provide
- Fever with behavior changes, difficulty breathing, uncontrolled coughing, unusually tired, persistent crying, etc.
- Open sores, rash, signs of infection, etc.
- Runny nose with colored mucus

If children are exhibiting any of the above symptoms, **parents / guardians are required to and must agree to come pick up their child without delay if they are exhibiting these symptoms.**

Required Forms

Liability Waiver and Auto-Pay Form

Parents will be required to submit a signed liability waiver and credit card auto-pay form before your child may attend the program. These forms will be emailed to parents and may be turned in, emailed or faxed before or on the first day of attendance.

Participant Information Form

Please accept and complete the online invitation to the ePACT Network at your earliest convenience (invitations will be emailed before the start of the program). All registered participants will receive an online invitation. Marinwood uses the online ePACT Network. ePACT is a secure emergency network, that we will use for our programs to collect medical and emergency contact information electronically. For customer support, please email help@epactnetwork.com.

How it works

- 1) You'll receive an email invite to share information with Marinwood Community Services District.
- 2) Click 'Complete Request' to create a free account, or log-in if you already have an existing ePACT account.
- 3) Enter the required information, like medical conditions, and share it with Marinwood Community Services District. If you already have an account, it will take just 2 minutes to verify that your information is still accurate.
- 4) You can update your information at any time in the year, and we will automatically be notified (e.g. a new cell phone number)

Withdrawal Policy

If parents wish to terminate or change enrollment for the program at any time, written notice is due at least five business days prior to the start of the new month. There is no refund if

withdrawal occurs once the monthly session has begun. If proper notice is not received, parents will be held responsible for tuition regardless of whether the child attends the program.

Staff

Marinwood staff are highly-trained, energetic and motivated. Our goal is to provide your child with the best experience possible in a fun and safe environment. Every staff member is certified in CPR and First Aid by the American Red Cross and all staff members have been fingerprinted and undergone a background check.

Parent Responsibilities

- Complete all forms prior to first day
- Provide current information (phone/address/medical)
- Provide staff with information about major events in child's life that may affect child's behavior and/or attitude
- Inform staff on any day child will not attend.
- Support staff in working with your child in behavioral issues

Child Responsibilities

- Check in with Marinwood staff directly upon arrival
- Be respectful of Program rules and policies and facilities
- Behave appropriately at all times
- Take care of equipment and supplies

Marinwood Program Parental Acknowledgment

I acknowledge that I have read the parent packet and I am fully aware of Marinwood's policies and procedures.

Thank you for entrusting your child to our care. We are committed to providing a safe and enjoyable program. Please let us know if you have any questions or concerns.
